

⚠ Safety and Care Advice

**Important** – Please read these instructions fully before starting assembly

- Check you have all the components.
  - Remove all fittings from the plastic bags and separate them into their groups.
  - Keep children and animals away from the work area,
- small parts could choke if swallowed.
- Make sure you have enough space to lay out the parts before starting.
  - Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
  - Assemble on a soft, level surface to avoid damaging the unit or your floor.
  - Dispose of all packaging carefully and responsibly.

**Care and Maintenance**

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.
