Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the next pages.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to lay out the parts before starting.
- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft, level surface to avoid damaging the unit or your floor.
- We do not recommend the use of power drills/drivers for inserting screws as this could damage the unit. Only use hand screwdrivers.

Care and Maintenance

- Please clean using cloth with glass cleaner, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Warning

Important - In order to help prevent overturning, this product must be used with the wall anti-tip strap/device provided.

- To help prevent product toppling over please follow the below steps:
- Use the anti-tip strap/device provided.
- Do not allow children to climb or hang on the furniture.
- Do not place heavy items on top of the furniture, unless the furniture has been designated for this purpose.

Please note that only the anti-tip strap/devices and screw are provided, you will need to provide wall plugs and screws applicable for your wall type.
